BEL 505G3

SEMI-AUTOMATIC CASE FORMER & PACK STATION

EoL

END OF LINE

BEL 505G3

SEMI-AUTOMATIC CASE FORMER & PACK STATION

BEL 505G3 INCREASES OPERATOR EFFICIENCY AND ERGONOMICS

The BEL 505G3 forms and holds cases in place for quick and easy 2 handed case packing from 3 sides of the machine.

Flexible Case Erecting From All Sides Of Machine

The BEL 505 line of semi-automatic case forming and packing stations are a compact and ergonomic packaging solution for manual hand pack lines. When combined with a BEL case sealer, it allows one operator to form, pack and seal corrugated cases in a single operation.

The BEL 505G3 is extremely compact and is designed to fit in plants with extremely limited floor space. Aside from being easy to use and maintain, its compact size allows ergonomic and convenient operation from 3 sides of the machine. A stainless steel version is also available for applications with washdown and moist environments.

ABOUT THE BEL 505

EASY CASE SIZE CHANGES

Tool-less case size changes are simple and quick with change points accessible from both operational sides of the machine.

LASTING PERFORMANCE

Corrosion resistant and paint-free construction guards against machine wear and extends machine life.

ON MACHINE INSTRUCTIONS

User-friendly pictorial guides and color-coded labeling for convenient operation and size changes.

COMPLETE SOLUTION

FULLY AUTOMATE YOUR PACKAGING LINE WITH THESE FORMING AND PACKING SOLUTIONS.

BEL 150 CASE SEALER

Semi-automatic tape case sealer provides an effective and reliable solution for top and bottom sealing of a wide range of uniform case sizes.
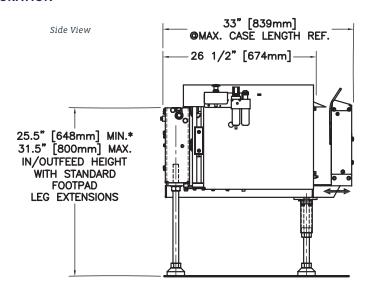

ACCUMULATION TABLE

Ensures product is delivered continuously and ergonomically to the operator. This allows convenient and quick packing as it keeps the product in reach of the operator.
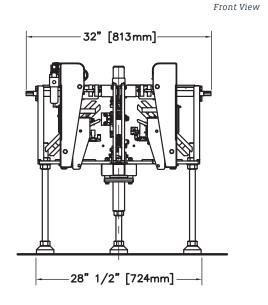

KDF BOX STAND

One of the most popular accessories for semi-automatic packaging lines. The box stand holds case blanks in a convenient position for quick and ergonomic packing.

PROMACH®

WEXXAR BEL

At Wexxar Bel, corrugated container packaging applications are limited only by the imagination. Our Wexxar case formers and case sealers have been installed in nearly 40 countries and consistently bring customers the lowest cost of ownership and the highest standards of safety. Wexxar also offers the BEL line of corrugated box sealers, tapers, and packing systems as well as the IPAK line of tray and bliss formers, stackers, and sealers systems. As part of the ProMach End of Line business line, Wexxar helps our packaging customers protect and grow the reputation and trust of their consumers. ProMach is performance, and the proof is in every package.
